# VENDORS

## How to become a VENDOR

Panhandle Watermelon Festival Arts & Craft Fair provides vendors the opportunity to display and sell their one-of-a-kind items. PWF will accept applications to be juried and selected on variety, originality, and quality of goods sold. Vendor selection is designed to provide customers with not only the highest quality of vendors but a collection of vendors who compliment the event.

PWF is currently accepting applications from vendors specializing in antique, re-purposed and handmade items. We limit duplications of items being sold to help with competition so each vendor will make good profit.

Vendor applications will not be considered if photos or links to on-line photos are not included with the application at time of submission. It is strongly recommended that photos showcase the vendor's ability to merchandise their goods. Close attention to detail is suggested. Booth availability is on a first come, first serve basis.

Booth size will be a 15X 15 space for a cost of \$75. Electricity will be provided if indicated on your application for \$100.00.

Please complete the attached form and once your profile is received you will be notified by email provided or a phone call with instructions to complete the next steps to receive your reservation/payment of fees. Please check your email regularly. If you have issues or questions you may email us at [vendorpwf@yahoo.com](mailto:vendorpwf@yahoo.com).

**Vendor fee is NON-REFUNDABLE**
